How would you rate the following (place a check mark in the appropriate column):

Poor	Fair	Average	Good	Excellent
1	2	3	4	5

	1	2	3	4	5
1. Value of presentation in meeting your needs.	—	—	—	—	✓
2. Presentation was well organized	—	—	—	—	✓
3. Actively involved participants in learning experience.	—	—	—	—	✓
4. Usefulness of examples, handouts	—	—	—	—	✓
5. Your overall learning experience	—	—	—	—	✓

What was the most important thing you gained from this presentation? There are many views, people do not understand that every thing is not either black or white.

What was the muddiest point, what you still have questions about? Just being able to approach older generations about diversity. Some (Parents) are set in their ways. As future social workers, we may have difficulties explaining diversity.
